

Wednesday 8th April ANSWER

Below are three sequences of letters. Each sequence follows some sort of rule. You must work out the rule and write down the next 3 letters in the sequence...

Sequence 1:

O T T F F S S E N T E

Rule: **Initials of numbers**

Sequence 2:

A D C F E H G J I L

Rule: **3 forward and 1 back**

Sequence 3:

D N O S A J J M A M

Rule: **Reverse month initials**
