## TO ALL PARENTS/CARERS

Dear Parent/Carer

The JCB Academy has taken all possible steps to mitigate the risk of coronavirus and it has been reassuring to see excellent compliance from learners in relation to the wearing of face masks around the academy, frequent handwashing and the use of hand sanitisers. The movement of learners around the building has been greatly restricted and a respectful distance between learners and staff has been observed.

There have, however, been some reports of a lack of compliance in relation to the wearing of face masks on the academy buses, despite masks being checked by academy staff when buses depart the academy. Learners have been informed today that should they put any other person at risk by not wearing their face mask correctly or behaving in an inappropriate manner on the academy bus, then their privilege of travelling on the academy bus will be removed. CCTV on the academy buses will be closely monitored and learners are encouraged to report any poor behaviour to a member of academy staff.

I strongly urge parents and carers to discuss this matter with their sons and daughters to ensure all the control measures we have put in place are adhered to and that the academy is as safe as possible for learners and staff during this uncertain time.

Yours sincerely

Mrs J McGuirk  
Principal
