Dear Parent/Carer

## Sports Leaders

I am pleased to inform you that the PE department is offering Y10 learners the opportunity to access a brand new qualification as an after-school club.

Sports Leaders is a nationally recognised qualification that enables successful learners to lead safe, purposeful and enjoyable sport/physical activity, under indirect supervision.

The Sports Leaders course will help learners build quality leadership skills and confidence in delivering sports activities and coaching sessions. The course involves four valuable units:

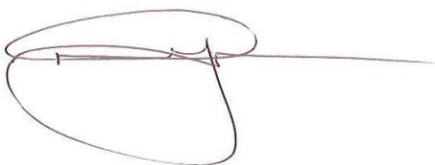

- Unit 1: Building leadership skills
- Unit 2: Plan, lead and evaluate sport/physical activity sessions
- Unit 3: Assist in planning and leading a sports/physical activity event
- Unit 4: Lead sport/physical activity sessions in your community

This qualification is a great opportunity for those learners who are interested in sports coaching and would like to progress further into a role within sports after they leave school. The course will run for two half-terms every Wednesday evening from 15:30-17:00 starting Wednesday 13 January 2021, with parents/carers required to organise transport home. Every session must be completed in order to complete the course and gain the Level 2 qualification.

Unfortunately we can only offer 12 places on the course, but, as this is the first time that we have offered this opportunity, the academy will be funding these places so that learners can participate free of charge.

If your son/daughter would be interested in undertaking this course, please express their interest by email to me on [n.morgan@jcbacademy.com](mailto:n.morgan@jcbacademy.com) by next Wednesday (16, December 2020)

Yours sincerely

Mr N Morgan  
Head of Physical Education
