TO ALL Y9 LEARNERS RETURNING INTO Y10

Dear Learner

We are looking forward to welcoming you back next week to The JCB Academy. Although the academy will feel a little different and we have been unable to offer some of the normal Y10 induction activities, we are excited for the year ahead.

We are in communication with Harper Adams University to see if we can move the residential experience to the summer term. If this is not possible, other activities and experiences will be organised for you.

On Tuesday, Y9 learners who are returning into Y10 will go directly to the Sports Hall on arrival for an assembly. You will then be guided to the Y10 floor by your mentors where you will be issued with new timetables, have the opportunity to discuss your wellbeing and take part in ice breaker activities with the new learners joining your year group. You will start your normal timetable from session 3 onwards.

Please take the time to enjoy the bank holiday weekend, keep safe and I look forward to seeing you refreshed and ready for the new term on Tuesday.

Yours sincerely

Mrs J McGuirk
Principal
