

Admissions Offer Information – Ski Trip (optional)

We are pleased to confirm that we have booked next year's ski trip for the February 2023 half-term break. The trip will depart on Friday, 17 February 2023 and return on Saturday, 25 February 2023.

The estimated cost of the trip is £1,399* and includes:

1. Luxury return coach travel, departing from The JCB Academy
2. Six nights' full-board accommodation (including hot lunches on the mountain)
3. Six days' lift pass
4. Hire of ski boots/skis/poles/helmets
5. 30 hrs of ski instruction
6. Full programme of evening entertainment

**The only additional cost will be for the hire or purchase of ski clothing, if required, and a small amount of spending money. Learners will also have the option to do a series of lessons at attend the Tamworth Snow Dome or Stoke Ski Centre leading up to the skip trip as an Extra-Curricular activity and the cost of this is approximately £100.*

Over the past few years the après-ski programme has included ice-skating, bum-boarding, swimming, a trip into a local town to watch Six Nations rugby and Champions League football, 5-a-side football, disco nights, pizza nights at local restaurants, tobogganing, ice hockey matches and a ride on an alpine coaster. These activities were all included in the cost of the trip.

A Parents' Information Evening will be organised in September to provide further information and the opportunity for any questions that you may have.

There are limited places available for the trip. If we exceed this number, we will be pulling names out of a hat to allocate places. We will then create a reserve list for the remaining learners.

If your son/daughter is successful in securing a place, you will be able to pay for the trip in full or in instalments following the specified payment plan via ParentPay (details to follow), which must be adhered to in order to retain the place on the trip. If you decide to pull out of the trip at any point, a refund will only be issued if a replacement is found.

If you have any questions, please do not hesitate to contact me on n.morgan@jcbacademy.com
