Uniform special offer

When you attend the uniform event, a 10% discount will be applied at the point of sale. This offer will only apply during this event, thereafter uniform items will have to be bought separately directly from Clive Mark at the prices stated on the uniform price list (you will be notified of the uniform purchasing event date in due course).

Personal Protective Equipment

The academy will supply aprons and protective work boots; these will only be required in some of the specialist workshops. Learners are able to purchase their own protective work boots should they choose to do so, however, this is not compulsory.

Engineering starter kit

The engineering kit is available for £15.50, payable via ParentPay. This kit contains everything learners require for engineering classes. The engineering kit will be available to view at the uniform purchase event:

- safety glasses and bag

- gloves
- 6" steel rule
- scribe
- centre punch
- adjustable spanner
- engineer's picket guide
- jenny callipers
- storage bag
- engineer's square

Equipment

Learners require the following equipment each day:

- stationery (pencil, ruler, eraser, black pen, pink pen, highlighter)
- scientific calculator
- filled water bottle

Lockers

All learners are assigned a locker. There is a non-refundable £5 fee for the locker facility, payable via ParentPay. There is a charge for any replacement keys.
